

## JUNIOR (WD)

*One steward should be standing at the gate at all times (in case the dog tries to leave the roped area) Jobs can be done by any beach steward. Decide a head of time who is doing what, .*

*Call for next entrant:*

**A. steward** takes drop retrieve article to the kayak and tow-a-boat line to the boat.

**B. steward** bring the bumper and take -a-Line Rope: unwind the rope and ensure it's not tangled.

**C. steward** be ready to take the leash from the handler. Stand at gate

### **Exercise 1. Controlled Walking and Recall**

**B . Steward:** While this exercise is being conducted: get the bumper and be ready for the start of the next exercise:

### **Exercise 2. Single retrieve**

The handler will set up facing the water:

**B. Steward:** When directed by the judge: hand the handler the bumper. Try not to let the dog see the bumper. Approach handler from behind and on side opposite from dog with bumper behind your back. Return to staging area after delivering bumper.

**B Steward:** When exercise is completed, take the bumper from handler or beach and put in basket.

**C Steward:** will serve as designated thrower, if needed.

### **Exercise 3. Drop retrieve**

**A. Steward:** While this exercise is being conducted: get the Take-a-line and be ready for the start of the next exercise.

**B. Steward:** Take the Drop Retrieve article back to the entrants gear basket.

### **Exercise 4. Take-A-Line**

The handler will set up facing the water:

**A Steward:** Hand the handler the end of the line.

**B. Steward:** When exercise is done, take the line from handler, coil it and put in basket.

**C. Steward:** AT THIS POINT: MAKE SURE THE NEXT ENTRANT IS ON DECK

### **Exercise 5. Tow-A-Boat**

**A Steward:** After Tow-a-boat is completed, the boat will move out of test area. This is a good time to put the next handlers drop retrieve article in the kayak and tow-a-boat line into the boat.

**B. Steward:** When exercise is done, Take the line from hander, coil it and put in basket

### **Exercise 6. Swim with Handler**

**C. Steward:** Stand by with leash

When exercise is done, give handler the leash. (Be sure to walk out to the handler at the shore line, team will fail if the dog leaves the test area off leash)

*Call for next entrant: (repeat)*
