

Senior (WRD)

Call for next entrant:

A Steward takes 2 drop retrieve articles to the kayak.

B Steward bring basket to beach

C Steward be ready to take the leash from the handler. (stand at gate)

Exercise 1. Directed Retrieve

A Steward: After first article has been retrieved, handler usually throws it on the ground. Pick it up and return to basket.

A Steward: Once exercise is completed take the second article and put in basket.

B Steward: While this exercise is being conducted: get the oar and be ready for the start of the next exercise:

Exercise 2. Retrieve Off A Boat

B Steward: When directed by the judge: hand the handler the oar.

A & B Steward: Beach the boat with the bow facing the water. Stable the boat while dog is loading. Push the boat into the water.

B Steward: When exercise is completed, take the oar from handler or from boat and put in basket.

A Steward: While exercise is being conducted get life ring and be ready for start of next exercise.

Exercise 3. Take-A-Life Ring

A Steward: When directed by the judge: Hand the handler the life ring and line.

A Steward: When exercise is done, take the life ring from handler and put in basket.

B Steward: While exercise is being conducted, get the underwater retrieve articles (there may two)

Exercise 4. Underwater Retrieve

B. Steward: hand the underwater retrieve article to the handler. If there are two, hold the second in case it is needed.

B Steward: When exercise is done, Take the articles and put in basket

A Steward : While this exercise is being conducted, get the tow-a-boat line and be ready for start of next exercise.

Exercise 5. Take A Line/Tow A Boat

A Steward: Give the handler the Tow-A-Boat line

A Steward: When exercise is done, Take the line and put in basket

C Steward: AT THIS POINT: MAKE SURE THE NEXT ENTRANT IS ON DECK

Exercise 6. Rescue

A. & B Stewards: Beach the boat with the bow facing the water. Stable the boat while dog is loading. Push the boat into the water. **C Steward:** When exercise is complete, give the handler the leash (Be sure to walk out to the handler, don't wait for them to come to you)

Repeat: Call for next entrant:
