

Excellent (WRDX)

Call for next entrant:

A steward attach eight foot line with bumper to the bow of the boat and place in boat.

B steward take leash from handler

Exercise 1. Abandoned Boat

A Steward Once exercise is completed remove the bumper from the boat.

Exercise 2. Multiple Person Rescue

A & B Stewards: Beach the boat with the bow facing the water. Stable the boat while dog is loading. Push the boat into the water.

Exercise 3. Unconscious Victim

N/A

Exercise 4. Capsized Raft

A Steward: Get the 125 foot line ready for the next exercise.

Exercise 5. Line to Shore

A Steward: Hand the line to the handler

A & B Stewards: Beach the boat with the bow facing the water. Stable the boat while dog is loading. Push the boat into the water

A Steward: At the end of the exercise, take the line and put in basket, get the next tester's bumper and attach to bow of boat.

B Steward: AT THIS POINT: MAKE SURE THE NEXT ENTRANT IS ON DECK

Exercise 6. Hidden Victims

B Steward: When exercise is complete, give the handler the leash (Be sure to walk out to the handler, they will fail if the dog leaves the test area off leash)
